Section 1: Benefits for Pediatric Vision Care Services

Benefits are available for pediatric Vision Care Services from a UnitedHealthcare Vision Network or out-of-Network Vision Care Provider. To find a UnitedHealthcare Vision Network Vision Care Provider, the Insured Person may call the provider locator service at 1-800-839-3242. The Insured Person may also access a listing of UnitedHealthcare Vision Network Vision Care Providers on the Internet at www.myuhcvision.com.

Reimbursement will be limited to the amounts stated below.

When obtaining these Vision Care Services from a UnitedHealthcare Vision Network Vision Care Provider, the Insured Person will be required to pay any Copayments at the time of service.

Network Benefits:

Benefits for Vision Care Services are determined based on the negotiated contract fee between the Company and the Vision Care Provider. The Company’s negotiated rate with the Vision Care Provider is ordinarily lower than the Vision Care Provider's billed charge.

Out-of-Network Benefits:

Benefits for Vision Care Services from out-of-Network providers are determined as a percentage of the provider's billed charge.
