Student Health Services
Box 1928
Providence, RI 02912
401-863-3953

**Medical Student Requirements Checklist
Due by July 1**

All forms can be accessed or uploaded by logging into the [Brown Student Health Services Patient Portal](#)

Log into the [Brown Health Services Patient Portal](#)

- ☐ Profile
 - Update demographic information on your profile if needed (follow prompts)
 - add preferred name, enable text messaging, add emergency contact etc.
- ☐ Select Forms & Requirements Tab
 - Complete the following
 - SHS Health History
 - SHS Consent for Treatment
 - Integrated Care Consent to Share Health Information
 - N95 Mask Fit Medical Form
 - This must be completed prior to N95 Mask Fitting which will occur during orientation
- ☐ **Step 1: Immunization Record, Titers & TB Screening Record**
 - Print the [Medical Student Immunization Record, Titers & TB Screening Record](#) form and have it completed by your medical provider. We will also accept official immunization records from your provider, previous school, or health department.
 - Log into your [Patient Portal](#):
 - For each vaccine, TB test and/or lab result, you'll need to enter a date.
 - After entering your first vaccine's date, you'll be prompted to upload your immunization record.
 - If you have only one record, you just need to upload it once. If you have multiple records, you can upload multiple files.

Questions?

Refer to the [Frequently Asked Questions](#) section on the New Students Health Requirements page.
