Undergraduate Student Requirements Checklist Due by August 1

All forms can be accessed or uploaded by logging into the [Brown Health Services Patient Portal](#)

Log into the [Brown Health Services Patient Portal](#)

- ☐ Profile
 - Update demographic information on your profile if needed (follow prompts)
 - add preferred name, enable text messaging, add emergency contact etc.
- ☐ Select Forms & Requirements Tab
 - Complete the following
 - SHS Health History
 - SHS Consent for Treatment
 - If you will not be 18 years old by August 15, please print and have your parent/guardian complete the **SHS Minor Consent** form and upload to the patient portal
 - Integrated Care Consent to Share Health Information
 - TB Risk Screen
 - Depending on your answers, some students may require TB testing. If required, enter the date of your testing and upload an official copy of the testing results to your portal
 - Your provider may document your TB testing on the [TB Screening Documentation Form](#), if needed
- ☐ Submitting Immunization Records
 - Print the Brown [Immunization Form](#) and have it completed by your medical provider. We will also accept official immunization records from your provider, previous school, or health department.
 - Log onto your patient portal at <https://studenthealthportal.brown.edu>:
 - For each vaccine, you'll need to enter a date.
 - After entering your first vaccine's date, you'll be prompted to upload your immunization record.
 - If you have only one record, you just need to upload it once. If you have multiple records, you can upload multiple files.

For Intercollegiate Varsity Athletes Only

There are additional required forms on the patient portal if you intend to participate in varsity intercollegiate athletics. In compliance with NCAA regulations, we cannot clear a student to practice or participate in any team sport without a completed history and physical on file.

- Log into the Brown Student Health Services Patient Portal
 - Select the Forms and Requirements tab from the left menu.
 - Complete all clearance requirements.

Refer to the Frequently Asked Questions section on the New Students Health Requirements page. If you have additional questions, contact nursing@health.brown.edu.
