## Graduate Student Requirements Checklist Due by July 1

All forms can be accessed or uploaded by logging into the [Brown Health Services Patient Portal](#)

- ❑ Step 1: Immunization Record
  - Print the Brown [Immunization Form](#) and have it completed by your medical provider. We will also accept official immunization records from your provider, previous school, or health department.
  - Log into your [Patient Portal](#):
    - Select "Immunizations" to manually enter each corresponding immunization date
    - Select "Upload" to submit your immunization documents
  
- ❑ Step 2: Forms
  - Log onto your patient portal at <https://patientportal.brown.edu>
  - Select "Forms" and complete the following in the "New Students" section:
    - Brown Consent to Share Health Information
    - Authorization for Medical Care and Treatment Form
    - Health History Form
    - TB screening Form
      - Depending on your answers, some students may require TB testing. If required, print the TB Screening Documentation Form for completion by your medical provider.
  
- ❑ Step 3: Medical Insurance Card and Prescription Benefit Card
  - Copies of cards are required for all students that do not have the Brown sponsored insurance plan
  - To submit, Log into your [Patient Portal](#):
    - Select Upload and choose *Medical Insurance Card* and if applicable, *Prescription Benefit Card*

### Questions?

Refer to the [Frequently Asked Questions](#) section on the New Students Health Requirements page.
