Undergraduate Student Requirements Checklist
Due by July 1, 2021

All forms can be accessed or uploaded by logging into the Brown Health Services Patient Portal

- **Step 1:** Immunization Record
  - Print the Immunization Form and have it completed by your medical provider
  - To submit:
    - In the Immunization section, enter your immunization dates
    - Then select Upload, and choose Immunization Record

- **Step 2:** Tuberculosis (TB) Screening Form
  - Form is completed online - Select Forms, then choose TB Screening Form
  - Depending on your answers, some students may require additional testing. If it is indicated,
    - Print the TB Screening Documentation Form and have your medical provider complete and sign
    - To submit
      - Select Upload, then choose TB Screening Documentation

- **Step 3:** Health History Form (to be completed by the student)
  - Form is completed online - Select Forms, then choose Health History Form

- **Step 4:** Authorization for Medical Care and Treatment Form
  - Form is completed online - Select Forms, then choose Authorization for Medical Care and Treatment Form

- **Step 5:** Medical Insurance Card and Prescription Benefit Card
  - Copies of cards are required for all students that do not have the Brown sponsored insurance plan
  - To submit
    - Select Upload, then choose Medical Insurance Card and if applicable, Prescription Benefit Card

- **Step 6:** Authorization to Treat a Minor Form (required if you will not be 18 years old by 8/15/21)
  - Print the form and have parent/guardian sign
  - To submit
    - Select Upload, then choose Authorization to Treat Minor

Additional Requirements for Intercollegiate Athletes

- **Step 7:** Sports Physical Form
  - Print the form, complete page 1 and have your medical provider complete page 2
  - To submit
    - Select Upload, then choose Sports Physical Form

- **Step 8:** Sickle Cell Screening Test (hemoglobin electrophoresis is also accepted)
  - Obtain the screening test result from your provider
  - To submit
    - Select Upload, then choose Sickle Cell Screening Result

Questions?
